

To: Northern Sierra Air Quality Management District Board of Directors
From: Gretchen Bennett, Air Pollution Control Officer
Date: February 27, 2012

Agenda Item: IV.E

Agenda Description: The State of California Department of Justice Office of the Attorney General and the Fair Political Practices Commission Ethics Training

Issues:

The State of California Department of Justice Office of the Attorney General and the Fair Political Practices Commission ethics training courses are available on-line at www.localethics.fppc.ca.gov/ab1234/. State Law requires certain local officials to receive two hours specified ethics training every two years. After completion of this ethics training course you will be able to print out a certificate of completion which a copy will need to be forwarded to the District per District Policy #1020.6.

Requested Action:

If warranted, please complete the required training and submit a certificate of completion to the Air District.
